

**Viteyes Advanced** is one of our range of food supplements which builds on extensive eye health research at the United States National Eye Institute. It provides various vitamins and minerals including vitamins A,C & E, zinc, copper, **10mg of lutein**, zeaxanthin, selenium and other powerful antioxidants. These ingredients have been shown to have an important role to play in maintaining visual performance and ocular health. Lutein is an antioxidant carotenoid found in fruits and green leafy vegetables as well as the macular region of the healthy retina.

**Smokers:** Please consult your eye care professional about the risks of smoking and taking beta-carotene.

**Recommended Use:** One capsule, twice daily with meals. Store in a dry place below 30°C and avoid exposure to sunlight.

**KEEP OUT OF REACH OF CHILDREN**

**DO NOT EXCEED THE RECOMMENDED DAILY DOSE**

**DO NOT USE IF SEAL IS BROKEN**

Viteyes is made under the highest standards for product quality following Good Manufacturing Practices.

This product is not intended to diagnose, treat, cure or prevent any disease and should not be used as a substitute for a varied diet.
