

Viteyes Original Formula is one of our range of food supplements based on extensive eye health research at the United States National Eye Institute. It provides various vitamins and minerals including vitamins A,C & E, zinc and copper. These ingredients have all been shown to have an important role to play in maintaining visual performance and ocular health.

Recommended Use: One capsule, twice daily with meals. Store in a dry place below 30°C and avoid exposure to sunlight.

**KEEP OUT OF REACH OF CHILDREN
DO NOT EXCEED THE RECOMMENDED DAILY DOSE
DO NOT USE IF SEAL IS BROKEN**

 Viteyes is made under the highest standards for product quality following Good Manufacturing Practices.

This product is not intended to diagnose, treat, cure or prevent any disease and should not be used as a substitute for a varied diet.
